

Student-Athlete Onboarding

The first place to start for new student-athletes at Syracuse is to make sure they have downloaded the necessary applications so they have access to all the resources available.

STEP #1: Download Teamworks Hub

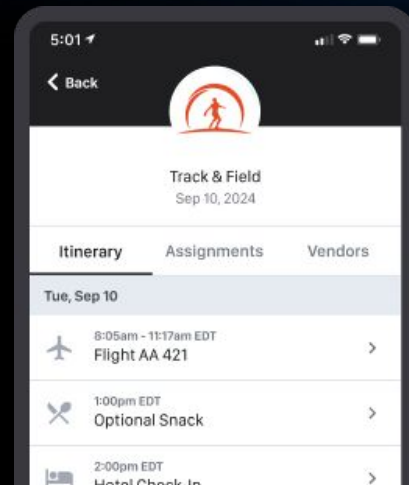

STEP #2: Download Influencer

Student-Athlete Onboarding

Teamworks Hub: Your One Stop Shop

Your Team

The Hub app will contain your daily calendar, team travel information, team communication, and all the tasks you need to take action on. You can also access files, videos, and all the information you need in one place.

Name, Image, & Likeness

You can use the Hub app to keep track of and manage your NIL tasks related to your deals. You can also launch into the Influencer app to access your content uploaded by your school.

Academics

In the Hub app, you can see your class schedule, academics tasks, your study hall hours and request academic appointments. You will also be able to use the Hub app's QR code scanner to scan into academic events and study hall.

Compliance

Using the Hub app, you will be able to submit your complimentary ticket requests, complete CARA certifications assigned to you, and complete all forms and workflows assigned by the compliance office.

Feedback & Reporting

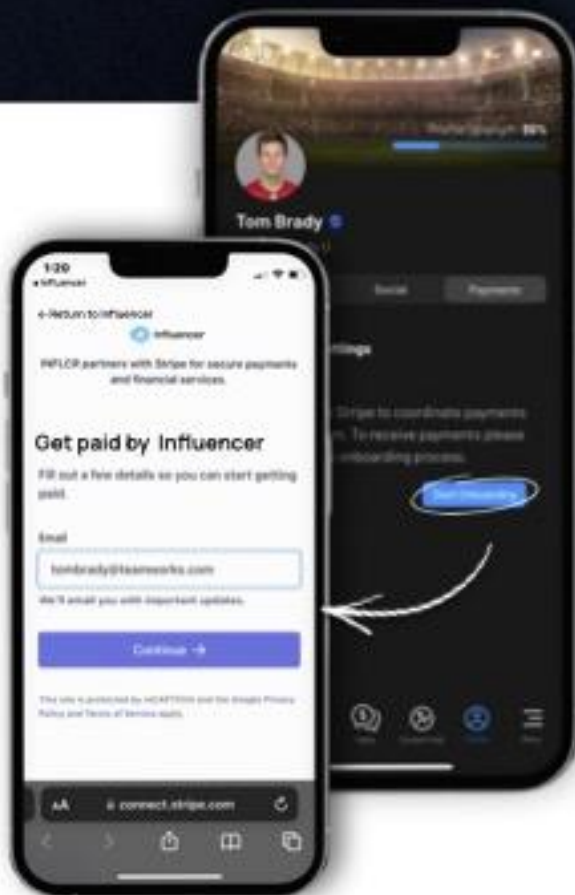

The Hub app will also be the place for you to submit survey responses to department surveys and submit any anonymous concerns related to your experience as a student athlete.

Influencer

Let's Get You Paid!

To ensure you get the money out of the Influencer app and into your pocket, you'll need to link your account to Influencer's payment processor, **Stripe**.

Follow the steps below to onboard with Stripe. **This process must be completed before you can begin receiving payments!**

1. Open your Influencer mobile app
2. Go to your Profile Page, then the Payments Tab
3. Click the **Start Onboarding** button
4. Enter the email where you would like to receive updates from Stripe about your payments
 - This does not have to be the same as your influencer email. It should be the inbox you check most frequently.
5. Complete your Stripe Profile
 - For this step, you will need your: Mailing Address, Social Security Number, and account information for your preferred payout method.

After you complete the onboarding process any balance in your account will automatically transfer to your bank account or debit card.

If you have questions, please contact Influencer via **in-app support chat** or support@teamworks.com. We want to make sure you get paid!
